

Ardesia

“Ardesia” si ispira alla pietra naturale, nella sua tipica finitura a spacco fine; grazie ad una moderna tecnologia produttiva, tutto il fascino di questa pietra sedimentaria viene riprodotto con grande naturalezza sulla superficie di un gres porcellanato di ultima generazione.

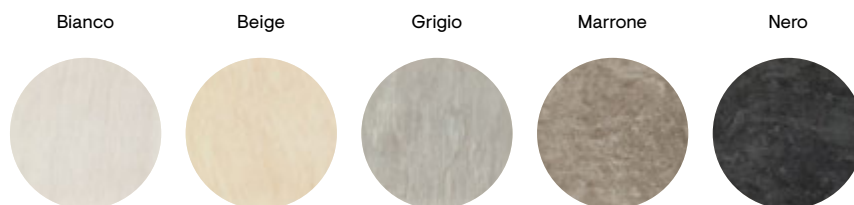

The “Ardesia” series was inspired by natural slate, in its typical fine split finish; thanks to modern production technology, all the appeal of this sedimentary rock is reproduced in a highly natural way on the surface of latest-generation porcelain stoneware.

Die Serie “Ardesia” ist am natürlichen Schiefer mit seiner typischen, feingespaltenen Struktur inspiriert. Dank einer modernen Produktionstechnologie wird die ganze Magie dieses Sedimentgesteins mit absolut natürlichem Effekt auf der Oberfläche eines Feinsteinzeugs der jüngsten Generation nachgebildet.

La série “Ardesia” s’inspire de l’ardoise naturelle dont elle reproduit la finition caractéristique à fente fine. Grâce à une technologie de fabrication moderne, tout le charme de cette pierre sédimentaire revit très naturellement à la surface d’un grès cérame de dernière génération.
